EDUCATION

KR Mangalam University
BTECH CSE
[SPECIALIZATION IN AI&ML]
SGPA: 9.67

**Sadhu Vaswani International
School for Girls**

12TH PERCENTAGE: 94%

RELEVANT COURSE

- Discrete Mathematics
- Probability & Statistics
- Linear algebra
- Calculus

CERTIFICATION & AWARDS

- Chancellor's Excellence Award, 2023
- University of Portsmouth, United Kingdom, Business & Management, 2023
- 2nd Place, KRMU Student Pitching competition, 2024
- Academic Excellence Scholarship, [KR Mangalam University] - [2021]
- IBM Developer Skills Network, Big Data 101, 2023

N R I A

DATA SCIENTIST

EXPERIENCE

NITI AYOJ, MINISTRY OF HOME AFFAIRS

INTERN

AUGUST 2024 - PRESENT

- Conducted in-depth research on government schemes to identify potential impact metrics.
- Collected and analyzed relevant district-level data to inform scheme evaluation.
- Employed statistical testing to assess the efficacy of schemes in driving desired outcomes.

OMDENA, BERLIN CHAPTER

EDA TASK LEAD

AUGUST 2023 - OCTOBER 2023

- Conducted data cleaning and German-to-English translation for comprehensive analysis.
- Extracted actionable insights and identified hidden patterns within textual data.
- Developed interactive visualizations using PyGWalker to effectively communicate complex findings.

SKILLS

- Programming language: Python, R
- Packages and Frameworks: Scikit-Learn, TensorFlow, NLTK, Keras, API, Git, NumPy, Pandas
- Data Science: Data Visualization, Supervised Learning, Unsupervised Learning, ANN, CNN, EDA, Feature Engineering, Feature Selection and Extraction, MySQL

PUBLISHED WORK

- Amar S., N Ria., Yashika G., Vanshika S. Lungs Cancer Detection using EfficientNet-B3 and CNN, ICTII 2024
